

SUMMIT STORIES

These are the stories of the people, places, and things encountered in and around public transit.

RAINA

"I see kindness all the time on METRO busses; people giving up seats, carrying bags... People help each other in a lot of different ways."

RICHARD

"I've been riding the bus for over 50 years, since I was little. Growing up, I would ride with my grandmother and my mother."

Match the numbered circle on the map to the column of times with the same number to see when the bus serves that location (these locations are called timepoints).

To determine when the bus serves a stop between different timepoints, look at when it is due at the timepoint before your stop and the timepoint after your stop, and you can estimate when the bus will arrive. PM time in bold. Always be at your stop 5 minutes early!

This symbol indicates transfer points. Routes serving a transfer point are indicated at the top of the time schedule, just above the name of the stop.

To determine when the bus serves a location, match the numbers on the timetable to the numbers on the map.

Please Note
PM time in bold. Bus schedules do not reflect route detours. For a complete detours list, visit yourmetrobus.org/route-detours.aspx.

See you on the bus!
